### FRAME INVENTORY UPDATE

To Our Valued Customers and Dispensing Partners,

We are currently experiencing an unexpected backorder situation with a few of our Pentax branded frames. While this is not an ideal situation, we want to assure you that our team is here to help support you until we can replenish our inventory of the frames listed below.

If you do have any orders on hold for the Pentax frames below, we strongly recommend that you restyle the customer into a new frame to avoid any lengthy delays.

You may call or email our Customer Care Team to make these changes or to check on current orders involving these products.

We sincerely apologize for any inconvenience this may cause you and appreciate your understanding during these unusual times for Pentax. Historically, we have not encountered such challenges, and we want to assure you that we are doing everything in our power to return to our normal level of service.

We appreciate your patience and continued support. **Phone:** 800-982-2828 **Email:** [customercare-srx@hoya.com](mailto:customercare-srx@hoya.com)
